A tranquil scene of Ryan Plaza, the most familiar landmark on the MHS campus.

. . . emerged a year of many triumphs with few defeats, a year of challenges, a year of tradition, and a year of change. This and much more inspired the makings of the 1968-69 school year from this land of Black and Gold.

It has been said that every great novel needs a good beginning; the same can be said for a great year. The annual Howdy Hop, held early in September, provided the basis for that good beginning. With the purpose of welcoming new students to Magnolia, it portrayed the unity needed for the makings of a great year.

Then came the pep assemblies. It was these assemblies that radiated true Sentinel spirit which could be heard for miles around. Spirit so strong and full of pride enabled our team to race on towards repeated victories and become known throughout Southern California as "the 11 angry men."

Homecoming, the highlight of the season, will long bring back memories, both happy and sad, of times now past. No one will ever forget the playing of "The Impossible Dream" as Dawn Andrews was crowned 1968-1969 Homecoming Queen.

Mums add to the spirit of Homecoming.

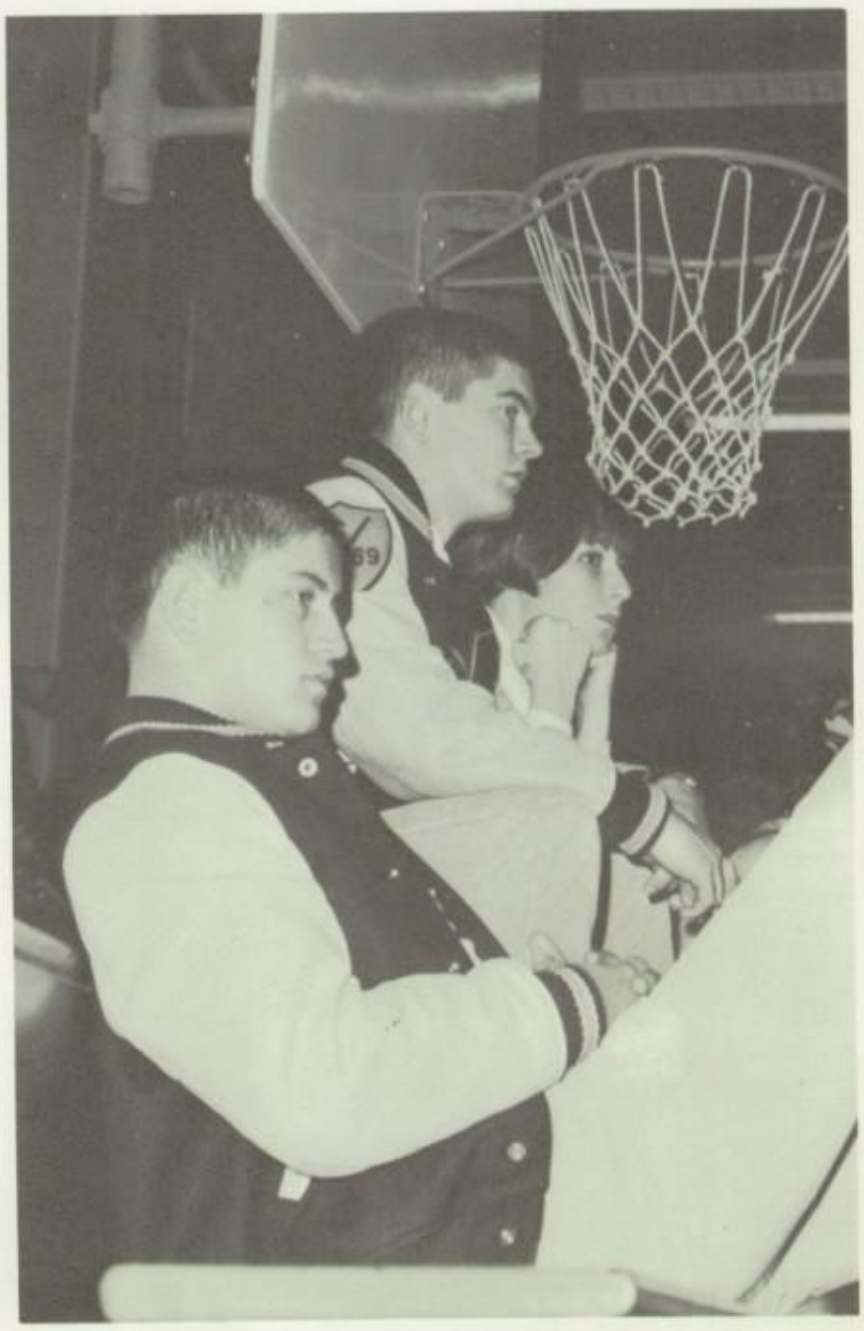
Standing symbolically in front of this land of black and gold is the cannon, a representative of strength and pride.

Water became a common sight around the MHS campus, as



Stan and Lee Longnecker, along with Sherry Reardon, focus their attention on happenings in the Sentinel gym.

1968-1969 proved to be the wettest season in nearly a century.

. . . Homecoming, the highlight of the first quarter, will long bring back memories, both happy and sad, of times now past. Few shall ever forget the playing of "The Impossible Dream," as Dawn Andrews was crowned 1968-1969 Homecoming Queen.

The Christmas season, with all its festivities, brought new activities to the MHS campus. Concerts given throughout the county by the black and gold robed A Cappella Choir, and the annual Christmas Formal, combined to add to the spirit of the season.

Then came the rainy season which plagued the Magnolia campus for so long, but failed to dampen Sentinel spirit. Our mighty basketball team took the Irvine League Championship, and Dave Murray received the award of Most Valuable Player of The Year in the Irvine League.

Even faculty members at MHS contributed to Sentinel spirit at assemblies.

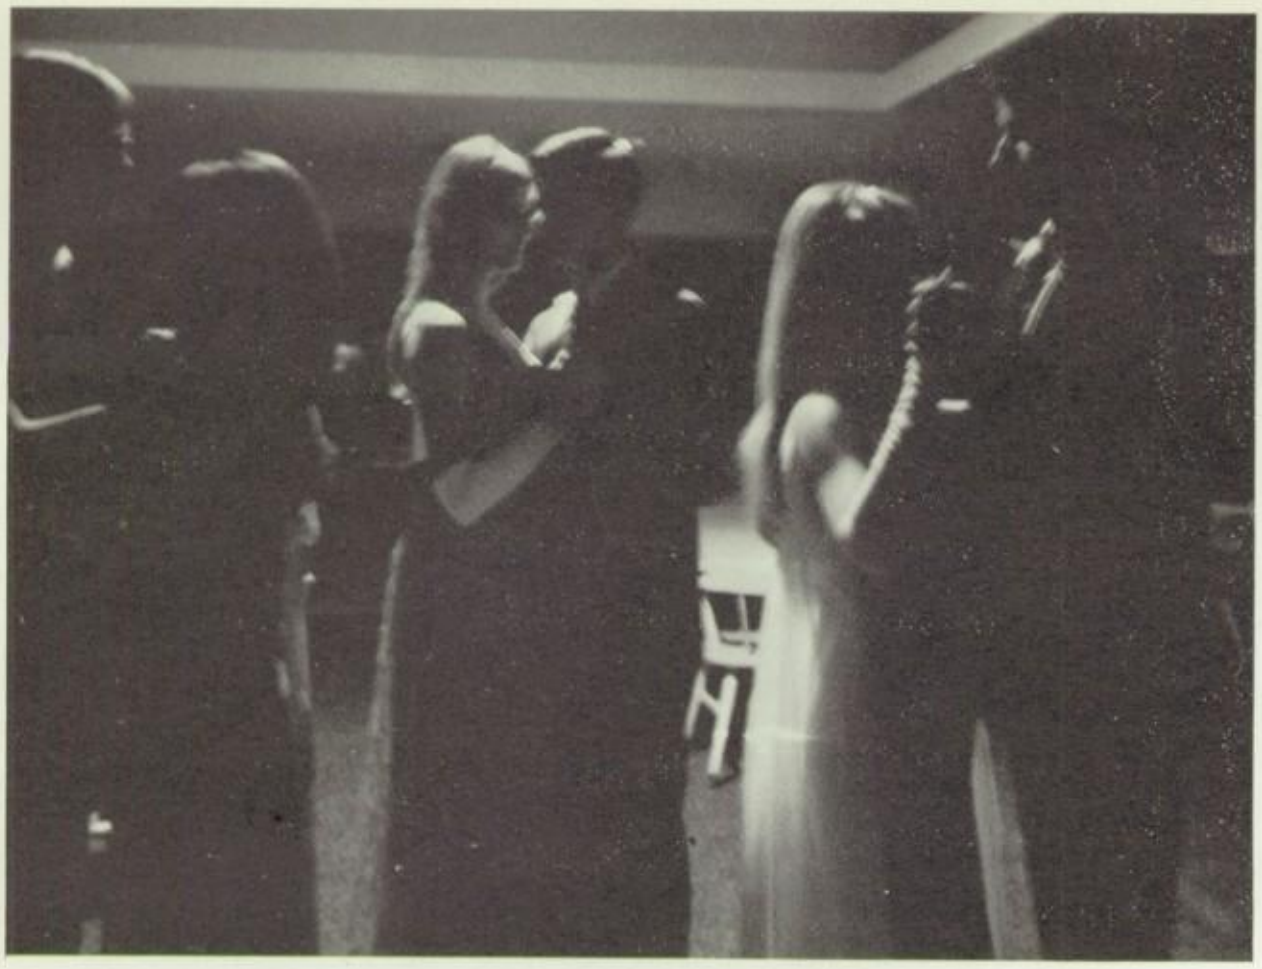
Ryan Plaza is a familiar sight to all students at MHS.



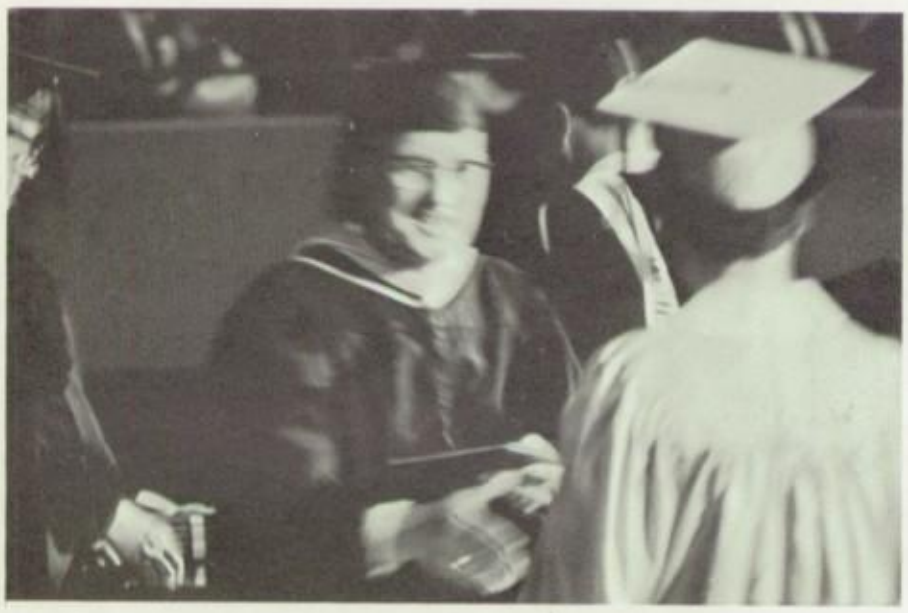
Juniors and seniors danced at this year's Junior-Senior Prom.

. . . Spring on the MHS campus brought new activities to this land of black and gold. The Tahitian Stomp, Spirit Week, and the Junior-Senior Prom, all helped to bring a successful ending to a great year.

As June approached, the classes of 1970 and 1971 began anxiously looking forward to next year when they will move higher into the ranks of Sentinels. But for the graduating seniors, the class of 1969, the end of the school year has an entirely different meaning; for them, June represents the end of an era.

Every Senior recalls the Senior Movie, Senior Day at Disneyland, and the excitement brought about by graduation.

1968-1969 truly was a great year at this land of Black and Gold.



June meant graduation and parting for MHS seniors.

The Anaheim Convention Center was the site of graduation exercises.

Remaining days were counted off on the senior multi-purpose room window.

ACADEMICS

The Class of 1969 – I salute you. I write this note with mixed emotions as I, too, am saying good-bye to Magnolia High School.

You, the Class of 1969, are the fortieth class I have seen graduate. You have brought many honors to Magnolia in athletics, in scholastic achievement, in speech and drama, and in many other avenues of educational endeavor. You have upheld and maintained the fine tradition that classes before you have established.

You are moving into a new era. It is predicted that in your lifetime you will change jobs at least five times. The administration and faculty hope that in some small way we have helped prepare you to better meet the challenge of your new world.

I know the little courtesies you have shown to me you will show to the outside world. This is what makes a Magnolia student great.

My thoughts and my prayers go with you.

Sincerely,

Richard Ryan

ability as he glides down the Colorado River.

The 1969 CANNON staff would like to take this opportunity to say thank-you to a great man who helped tremendously in making Magnolia the school it is today. Principal Richard Ryan, who has guided the mighty Sentinels since MHS was first constructed eight years ago, is retiring this year after a long and successful career.

Before coming to this land of black and gold, Mr. Ryan was an instructor at Anaheim High School for an impressive thirty years. During his stay at Anaheim, he was also a football coach where he led the Colonists to many successive victories. Mr. Ryan also taught at Brawley Union High School, in Brawley, California, for two years.

Since his arrival at Magnolia, Richard Ryan has proved himself a competent and successful leader for both the student body and faculty. Under his leadership, Magnolia has walked off with numerous football and basketball championships, maintained an award winning marching band and drill team, and become one united student body, filled with the pride and spirit necessary to remain among the mightiest of schools.

Thank you, Mr. Ryan, for making all of this possible, and may the student body at Magnolia High School long remember you as a man who dedicated himself to the betterment of this school.

Administration at MHS Aids Sents

Miss Hotchkiss, Mr. Gaynor, and Mr. Jones were important members of the administration during the 1968-69 school year at Magnolia. Miss Hotchkiss was senior class vice-principal, while Mr. Gaynor represented the juniors, and Mr. Jones, the sophomores.

Another member, who played an important role at MHS, was Mr. Allan, activities director. During the two years he has been at Magnolia, Mr. Allan has had many responsibilities to fulfill, including the supervision of all activities held on campus, and the sponsoring of student government.

Mrs. Merrill and Mrs. Ross, secretaries in the main office, have also become well known around campus.

Mrs. Mildred Gillette

David Salisbury

Counselors at MHS played an important role in the lives of all college bound Sentinels this past year. All seniors met at least once with Mrs. Gillette or Mr. Salisbury to discuss their plans after graduation. They also had the opportunity to meet with admissions officers from various colleges and universities throughout the country.

At the same time, Miss Friedrich and Mr. Hunsaker met with underclassmen to help them reach decisions of colleges and careers. Many juniors took the PSAT and National Merit Scholorship Qualifying Test during the year to help them prepare for the college entrance examinations they will be taking in their senior year, namely the SAT and ACT exams.

Miss Herta Friedrich

Vern Hunsaker

Librarian, Miss Yvonne Vierra, became quite familiar to many students during the year, who spent time in the library cramming for exams or working on term papers.

Mrs. Pauline Hirsch, school nurse, had a busy year at MHS.

New English Program Adopted at MHS

Several unique changes were introduced into the curriculum during the past year at Magnolia. The most significant of these was the adoption of a new experimental English program, designed to replace the traditional English II, III, IV classes offered to high school students. Instead of attending the same English class throughout the year, Sentinels were given a variety of courses to choose from, each consisting of a nine-week session. Among the classes offered were mythology, philosophy, composition, American literature. and even a class on utopianism. After the completion of the course, students were able to transfer into another class of their choosing.

After its initial mix-ups and the new program got underway, it was quite successful. Not only did it offer a large variety of courses to students, but it also permitted faculty members to teach in the areas most interesting to them.

Election "68"

The Presidential elections were in full swing as school opened last fall, starting off a successful year for the senior government classes. Many Sentinels became more involved in the various campaigns by working for local candidates and participating in a mock election held on campus. The seniors were also honored by the presence of several local candidates, Bruce Nestande, Kenneth Cory, Richard Hanna, and a representative for William Teague, who came to speak at MHS.

After the elections, time was devoted to studying the problems of the nation and the best ways to solve them. The first subject discussed was the electoral college and whether or not it should be abolished. Each student was appointed to a certain state and he voted as to what would be best for his state. After deciding that the electoral college should remain, the government classes turned their attention to the war in Vietnam. A mock version of the Paris Peace Talks was held with students representing each of the countries participating.

Heading the government department were Mr. Graham, Mr. Weston, and Mr. Little.

This past year the mathematics department has kept up very well with the regular, every day "chalk board routines." Year after year, squares, parallels, variables, equal marks, etc., are inscribed on every chalk board and mind of our intelligent Sentinels.

Even so, many students have excelled greatly in the field of mathematics under the benevolent leadership of our instructors, Mrs. Tippett, Mr. Franks, Mr. Elmore, Mr. Shelton, Mr. Brown, and Mr. Shue.

The math courses offered this past year have been: pre-algebra, general math, algebra I and II, plane and solid geometry, and algebra II/trigonometry.

Mr. Abella returns exams to anxious Sentinels.

Mr. Elmore keeps an eye on two of his more intelligent students.

Mr. Shue renders aid to troubled Sents.

Dissecting frogs, catching flies, and gathering pond water were just a few of the activities participated in by science classes at MHS during the past year.

All Sentinels are required to complete a science course during their three year stay at Magnolia. Life and physical science is offered in order to satisfy graduation requirements. However, students looking forward to attending a four year college can choose from chemistry, biology, and physics.

Magnolia's science classes consist of more than just bookwork. There is also a good deal of experimentation involved. Mr. Abella's fermentation lab in which wine was produced was probably the most unique of the activities done in the science classes, but others were equally rewarding.

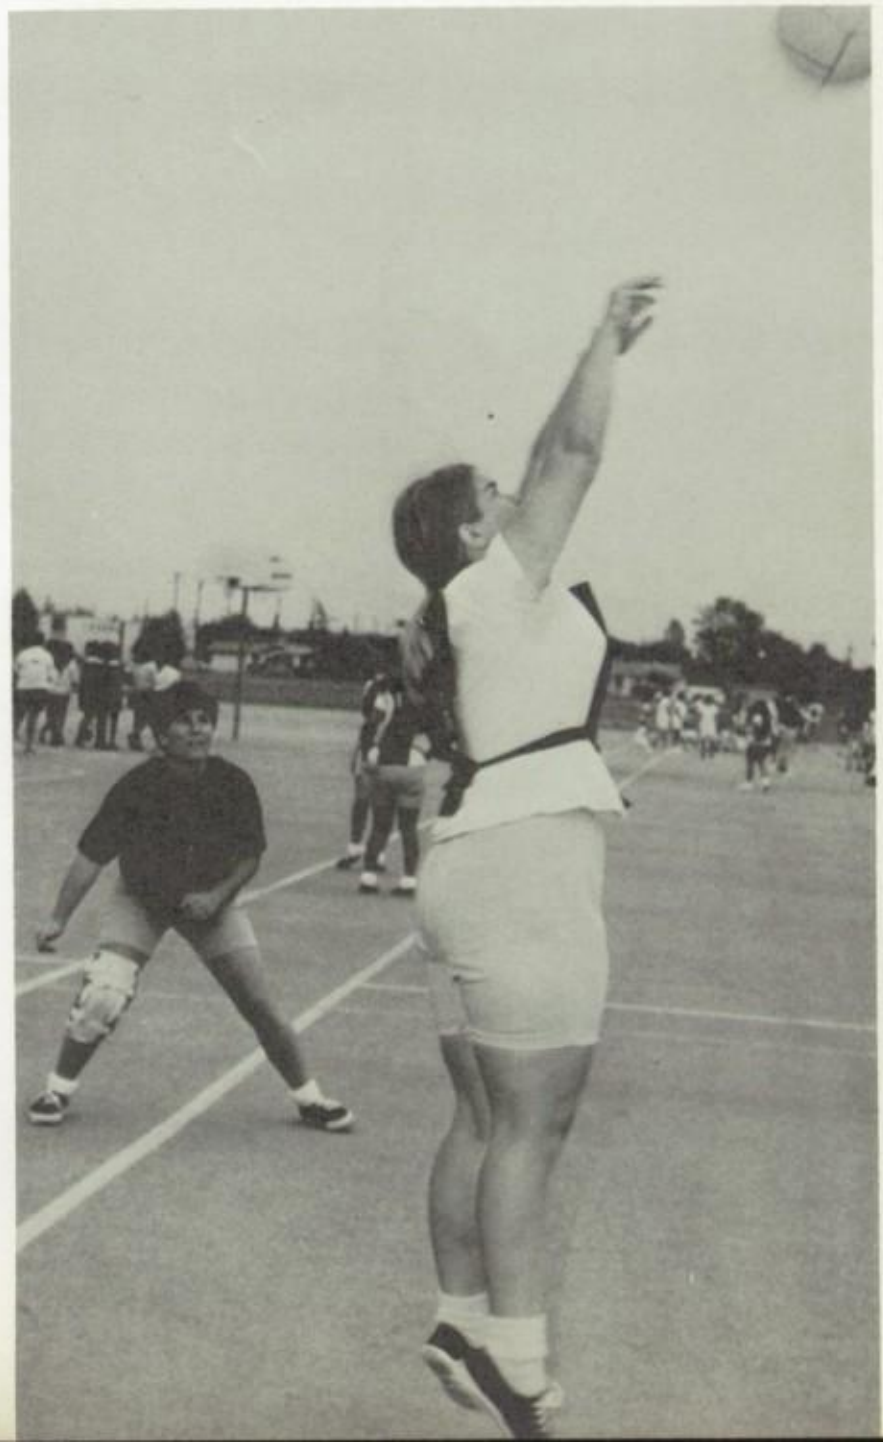
Unconditioned Sents? Never!

The physical education departments have succeeded again this year as they did last year and the year before that and the year before that and the . . .

Even though most Sentinels would hate to admit it, without this vital department we would have an awful lot of unconditioned students running (?) around the MHS campus.

Coach Noel demonstrates the fundamentals of chin-ups.



Kings of the Road

"Hit the brakes!" and "Watch out for that truck!" were just a couple of the warnings echoed by driver education teachers during the past year at MHS. Mr. Applebee, Mr. Hayden, Mr. Palmer, Mr. Setterlund, Mr. Wheeler, and Miss Brush are the brave souls who attempt to teach unknowing Sentinels the "laws of the road." Not only are the students taught the fundamentals of regular everyday driving, but they are also instructed in hill driving, parallel and angle parking, and freeway driving.

The driver education program, however, constitutes more than just teaching the students how to operate an automobile. Time is spent practicing on the driver trainers, which give inexperienced Sentinels the opportunity to practice at their skills without actually being behind the wheel of a car. There is also a good deal of book work accompanying this course. The California Vehicle Code is required reading material for all enrolled in the class.

Magnolia's driver education program is one of the most advanced in the state. The course consists of one full semester and is offered to all sophomores.

Sex Controversy

Controversy surrounded Magnolia's Family Life and Sex Education classes this past year. From September to June, complaints of the program were registered in district offices by parents and people from all walks of life. The subject was also the center of attention for many national magazines and newspapers.

In spite of the accusations the program received, family life classes proceeded with their plans for the year. Included in these plans was a field trip for all seniors enrolled in the class to West Anaheim Community Hospital where they toured the maternity ward. There was also a voluntary trip to Fairview State Hospital, in order to gain a better understanding of the mentally handicapped. Other activities included the presentation of several guest speakers.

Sentinel Artists Create Spirit

Under the supervision of Mrs. Kolyer and Mr. Maxfield, Magnolia's art classes have come on strong this past year to add to Sentinel spirit.

The greatest achievement of the art students during the 1968-9 school year was probably the Cinderella float which placed third in the annual Anaheim Halloween Parade. Many Sentinels spent numerous long, hard hours working on the float to make it a success.

The art classes also contributed their services throughout the year to promote other activities on campus. They were responsible for much of the decorating done during football season which helped to build Sentinel spirit. They also helped greatly with the IOC production of "You Can't Take It With You."

Sentinel artists devoted many long hard hours working on the prize-winning Cinderella float.

Personnel Render Services

Cleaning the MHS campus can be quite a chore; just ask one of the custodians. Preparing food for over a thousand students each day is quite a job, too. Any member of the cafeteria staff can tell you that. And don't forget the parking attendant, who always has a friendly smile for all.

These people all help to make Magnolia the great school that it is.

GOVERNMENT

Robby Heads Student Government

"The first thing I wished to do as President was to select a good cabinet; a group of people who could truly work together to achieve a goal. I believe this year's cabinet was such a group.

Our goal this year was to make the ASB (associated student body) of Magnolia work actively for the students, in co-operation with the faculty and administration, in doing those things, generally listed as non-academic, which we feel are as vital a learning factor in high school as that which is taught in the classrooms.

Specifically, these include sports events, dances, assemblies, club activities, on and off campus, school functions, and so on.

Personally, it was my concern to see that these events ran smoothly, and it was also my job to improve student-teacher relationships.

I sincerely feel that I have worked to achieve this goal and hope that the student body has benefited in some way through my efforts."

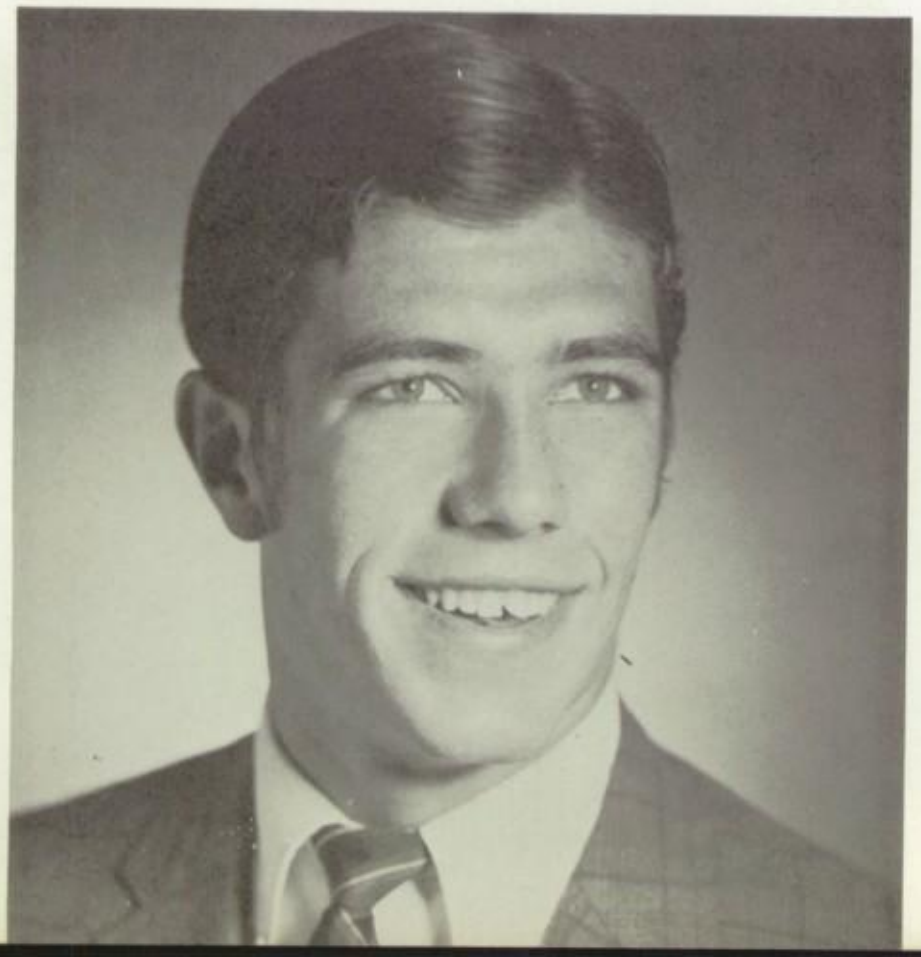
Doug Omer, ASB Vice-President.



"As Vice-President of Magnolia High School and advisor to the President, there were many duties on my shoulders. The first concern of the vice-president is to assist the President whenever necessary and take over in case of absence.

I entered office with the thought of bringing the students together without any prejudice toward class standings. As student body Vice-President, I have experienced something which every individual should be subjected to. Being responsible for the students, and their thoughts and ideas, makes a person more thoughtful and considerate of others.

I would like to thank the students and faculty for the chance of being a vital and active part of our school."

Each day during fifth period, an unusual class of twelve students met in the activities office. They were the officers of the Student Cabinet, and under the direction of Mr. Errol Allan, they dealt with problems concerning the student body.

They faced each problem, eager to find the best solution. Robby Robinson, ASB President, conducted his job with a sincerity that welded the group together, into a smooth-functioning government.

Various jobs of the Student Cabinet included discussing legislation, organizing and conducting assemblies, corresponding with other schools, and performing all the tasks that have to do with upholding Magnolia's traditions.

MHS Senate

An important job of each consecutive Senate at MHS is to revise the school consitution. This is mainly done to find a new and better way of doing things and to meet the ever-changing policies of the school. The Senate also seeks to make physical improvements on the Magnolia High School campus. A fund concerning better landscaping, was started by the Senate this year.

Two important bills the Senate passed this year were that the Speaker of the House must attend all Senate meetings and the Senate secretary must be interviewed before being appointed by the Senate president. These few items have contributed in making present and future years more rewarding and profitable for future Sentinels.

House Members

Assuring that every student had a voice in student government was the job of the House of Representatives. Each representative is elected for either the whole year or the semester in a home room class.

After somewhat of a delayed start the House sponsored an all-school "clean campus" drive . . . and started submitting students' ideas to the legislature.

Spirit, pride, strong leadership, and an overall deep loyalty to Magnolia have comprised former senior classes. But this year's seniors have excelled all others without question in at least one of these qualities. The spirit shown by the seniors this year has set an example long to be remembered at Magnolia and which makes every senior proud to be part of the graduating class of 1969.

Honored Seniors, Larry Gabrisch and Greg Plunkett, talk with Mike Sapp, Herb Rabbin, and Glen Sugihara at Honors Reception.

Top Seniors Honored

It is customary at the end of each student's fifth semester for a list to be compiled relating his academic achievements in comparison with the rest of his classmates.

The top nine students from the "Class of 1969" are presented here. They have maintained the highest scholastic records of the senior class up to their fifth semester at Magnolia.

These students are to be congratulated.

Class Officers

This year's Junior class showed what all great classes of the past have strived for. The 475 members of the class joined to exhibit the Pride, Spirit, and Involvement which more than qualifies them as Sentinels. So as the second of their three years has come to an end the class of 1970 has proven that without doubt it is: "Stronger Because United."

IOC GIVES PLAY

Among the activities of the Inter-Organizational Council was the presentation of the comedy, "YOU CAN'T TAKE IT WITH YOU." The play ran for three consecutive days, February 3, 4, and 5. (See page 142 for details.)

IOC consists of the presidents of every club on the Magnolia campus. The members strive for the unification of the clubs and organizations. This helps to eliminate conflicts of dates or events being planned by the different clubs.

IOC is under the leadership of Eric Taggart. He is assisted by secretaries, Rewa Walsh and Jean LaPorte.

Keymates In Action!

Besides being one of the most worthwhile organizations on campus, Keymates has long been known as one of the most active. Composed of girls who are interested in helping others, and under the leadership of Vickie Robinson, the Keymates work closely with Key Club, a boys' service organization, in planning activities to better the school and community.

During the past year, Keymates sponsored several successful projects. They were in charge of ticket sales for "You Can't Take It With You", placed surprises in faculty mailboxes, and represented true Sentinel spirit.

Speech Club Gains Victories

MHS Speech Club members entered various speaking events throughout Southern California during the 1968-1969 school year.

Two members, Eric Taggart (senior), and Neil Rubenstein (junior), participated in separate speech contests sponsored by the Lions' Club. Both managed to return as first-place winners.

Besides competing in contests, the members also use their speaking ability to participate in school functions and in class activities.

Initiation of new members was the first activity of the German Club this year. During the initiation period, which lasted three days, new members could be seen roaming the campus in authentic German dress, picking up trash, and performing various other tasks. Other activities of the German Club included collecting food and clothing during the Christmas holidays, to send to Indians living on reservations, and sponsoring a "German Night." The club also participated in a district-sponsored "International Night," which involved all of the language clubs on campus. The club was under the direction and supervision of Mrs. Evans.

Everyone in the German Club has something to say.

AFS Sponsors Foreign Exchange

Magnolia's AFS began this year's activities with a sucker sale. Their main activity was however, the annual Christmas Formal. The theme for this year's dance was "Christmas In the City," and a Mr. and Mrs. Santa Claus were chosen for the first time.

Each year, the club sponsors an exchange student from some distant country. This year, Magnolia's Foreign Exchange Student, Hans Graf, came from Munich, Germany. The club's advisor was Mr. Little, and the President was Nicki Johnson.

JV Cheerleaders

Promoting Sentinel spirit at junior varsity basketball games was the job of this year's JV cheerleaders. The squad, composed of juniors; Nicki Holsinger, Dianne Lindenstein, and Cindy Smith, and sophomore; Rewa Walsh, proved to be quite effective at encouraging spirit on the MHS campus.

After engaging in hours of long and tedious practice, the girls were selected by a panel of judges composed of both faculty members and students.

Their practicing, however, did not end once they became the 1969 JV cheerleaders. They spent hours each week working on new routines, and touching up on old stand-bys. They were also required to attend all junior varsity basketball games, where they helped lead our team on to victory.

Judges; Eric Taggart, Miss Clark, Chris Wheeler, Marilyn Buckley, Mr. Roberts, Janelle Smith, Donna Collins, and Mr. Embree, tallying up their scores.

Helping to encourage school spirit at assemblies, football games, and many other school activities were the two Sentinel mascots, Sammy and Susie Sentinel.

This year's Sammy and Susie were two seniors, Eric Taggart and Pam Sinclair.

Throughout the year these two people were great supporters of Sentinel spirit and they both displayed the true Sentinel pride!

Song and Yell Leaders

Creating Sentinel spirit, leading the student body in pep activities, and painting posters to decorate the MHS campus, were among the duties performed by this year's pep squad.

Work began in summer when the song and yell leaders traveled to various pep clinics. Their work continued with the building of school spirit and pride in the sophomore class, as well as in the returning classes of 1969 and 1970.

Through their pride and efforts Sentinel spirit was as usual . . . . GREAT!!!

MHS BAND

Blaring trumpets, pounding drums, Magnolia on the march.

Under the leadership of Mr. Shelton and drum major Rick Lopez, the Sentinel band has had a colorful and rewarding year.

Between half-time performances and fund raising events, the Sentinel band entered many competitive parades, and proved themselves to be fine performers.

But it was work too! Every band member will remember those early morning practices, where every hour of performance was preceded by twenty or thirty hours of practice, and every bandsman will remember the time and effort they put out in building a great band.

Being in the Sentinel band was not all fun and glory; it was also hard work and dedication, founded on Sentinel spirit. This is what makes Magnolia's band an organization to be proud of.

MHS DRILL TEAM

Spectacular exhibitions, tough competition, parades, and stadium shows were the words synonymous with the Sentinel Drill Team.

Starting work early in the school year, Magnolia's drill team presented their first outstanding performance at half-time during the Costa Mesa football game.

Following that, Magnolia's drill team performed throughout Southern California; their efforts showed the spirit of Black and Gold.

Instrumental in adding to the color of the band and drill team were the banner and flag girls.

The banner girls led the Sentinel band with their sharpness and flash and represented Magnolia's black and gold.

In addition to the banners, the flag girls marched with the band in half-time shows and competition events.

Both of these groups added to the pride of Magnolia.

Majorette Debbie Onken was added to the band this year as a solo baton twirler and her performances were truly remarkable.

Homecoming '68

New Orleans, long known as the city of sidewalk cafes, tree-lined boulevards and romantic settings was recreated at Magnolia as this year's Homecoming theme.

This annual semi-formal dance was held Nov. 2 in Magnolia's gym with the highlight of the evening being the coronation of this year's Homecoming queen.

Transforming the gym into New Orleans Square was the task of Magnolia's senior class; and to creat a total effect and insure the smooth running of Homecoming '68, work was begun weeks in advance.

Decorating, advertising, and all the work involved was done by senior committees. Through their efforts Homecoming was transformed into "A Night in New Orleans."

Entering into this year's Homecoming dance are Diane Lindenstein and Steve Wolfe.

SPORTS

Participating students, parents, and teachers assembled for the annual Fall Sports Award Banquet, held January 11, for the presentation of awards and honors.

Mr. Bill Price, football coach at Cypress Jr. College, was the guest speaker. He explained the differences between high school and college sports, and stressed the importance of maintaining a good grade-point average.

Awards and honors were presented by the respective coaches to outstanding participants in Cross Country, Varsity, Junior Varsity, Bee, and Cee Football.

The 1968-1969 Lamplighter staff did much to improve the quality and scope of this year's newspaper. Under the supervision of advisor Mrs. Trueman and editor Larry Gabrisch, the members of the staff broadened their coverage to include such current topics as child-parent relationships, smoking, the draft, and lowering the voting age. The reporters also covered the local side with articles on school activities and sports.

Because of the extra enthusiasm and effort put forth, many people felt that this year's editions of the Lamplighter were greatly improved over previous years. We would like to wish next year's staff the best of luck in keeping up this tradition.

Cagers Reach CIF

When Ernie Wheeler's junior-laden Sentinels bowed out of CIF playoffs last season, the prediction was that they would be back to redeem themselves, but with one more year of experience. The highly regarded Sents proved they were a team to be reckoned with as they posted a seasonal high of 20 victories—knocking off some of the best prep cage teams in Orange County. Now the same club had returned to the playoffs, much to the dismay of the Ganesha Giants, as the Magnolia Express gained revenge with a 30-point triumph.

In search of their second playoff conquest, the black and gold tackled Camino Real League Champs, Fermin-Lausen, only to be thwarted from further playoff competition. The setback was a heartbreaker as Wheeler's troops were able to outscore the rugged Padres from the field 26-24, but were outscored 21-13 from the charity stripe. The performance ended a record-breaking, long to be remembered season.

ATHLETICS

Varsity Football

The Magnolia Varsity Football squad ended the 1968 season with one of the best records at Magnolia. The Magnolia team won seven out of nine games, losing one non-league game and one league game.

The Magnolia coaching staff, headed by Don Lent, whipped the Sentinel players into a team averaging 16 points per game, with a defense that kept the opposing team down to an average to 6 points per game.

The Magnolia offensive team, with quarterback Doug Omer, excited the Magnolia fans by starting and finishing games with touchdowns, making runs for last chance first downs, and completing fantastic passes.

The Magnolia defense was equally great pass interceptions, tackling, and TD blocking.

San Gorgonio

Art Loepz lays the block while Doug Omer uses the hole.

The Magnolia Sentinels wasted little time getting on the score board against San Gorgonio.

The first score was a 28 yard drive in 8 plays with fullback Iverson running the final yard. Gerry Gomez came in to make the PAT.

After regaining control of the ball, Omer rifled a perfect 40-7 yard bomb which Flood ran into the end zone.

Magnolia struck again when Steve Crye blocked a Spartan punt and Magnolia had it's first and goal at the two yard line. Iverson ran it in two plays later.

Later Flood received a pass from Omer and ran 34 yards for the final six pointer. Gomez converted to end the game 26-0.

Troy

For the first game of the football season, victory came to be a good sign of the Magnolia victories that were to come.

The Sentinels took full advantage of six Troy fumbles. The sentinel defense set up both touchdowns as defensive tackle Joe Ryniak recovered a Troy fumble on the Warrior 11 in the first quarter. Three plays later, fullback Greg Iverson put the sents on the board with a four yard touchdown plunge. Gerry Gomez added the PAT that put Magnolia in the lead 7-0.

Steve Crye recovered a Troy fumble on Troy's 32. Two plays later Art Lopez found a hole and ran through for a 27 yard score.

Troy fought back making it's only score late in the third quarter on a complete pass to end the game 13-7.

Mayfair

Despite heavy injuries, the Magnolia Sentinels upset the ninth-ranked CIF AAA Mayfair Monsoons, 12-7 in La Palma Stadium.

Doug Omer climaxed a 29-yard drive, going in from the one yard line when the Sentinels took over control of the ball after a bad punt by the Monsoons.

The Monsoons scored a touchdown and extra point in the final quarter, but the Sentinels rallied as Bob Walters returned the kickoff 24 yards to his own 27. Omer then played toward the winning touchdown. After ten plays, Omer lofted a 42-yard aerial into the hands of end Joe Ryniak who hauled it in and scampered into the end zone to give, once again, the Sentinels the ball game with a final score of 12-7.

La Quinta

The Aztecs of La Quinta shocked the Magnolia Sents when they made a last minute comeback and won 27-26.

Iverson made the first Magnolia score on a two yard plunge at the end of an 80 yard drive. A 34 yard pass from Panique to Ryniak, tied the score 13-13. Then Panique recovered a fumble on the La Quinta four, ran it over the line for the TD on the first play to make the score 20-19.

Next, Norm James recovered a fumble, and a pass from Panique to Ryniak put the ball over the line and also put the Sentinels ahead 26-20 with Gomez making the PAT.

Fountain Valley

Defense was the name of the game for Magnolia against Fountain Valley. The Sent defense intercepted five of Fountain Valley's passes and shutout the Barons 25-0 in Magnolia's first league game.

Omer made the first score with four minutes gone in the game. Gerry Gomez made the PAT.

Defensive end Gary Flood picked off the first Magnolia interception and raced 66 yards for the score.

Seven minutes later Omer swept around the right end to make the score 19-0 at halftime.

Ken Panique then streaked 68 yards on a punt return for the score and a 25-0 win.

Costa Mesa

The Magnolia Sentinels opened and closed the game against Costa Mesa with a touchdown and won the game 12-0.

Ken Panique returned Costa Mesa's opening kickoff 63 yards to the Mustang 28 before he was stopped. Six plays later, Iverson plunged through three tackles to score from the 3.

Costa Mesa drove over 41 yards in an attempt to score. Then Steve Crye led the defense when he slashed behind the Costa Mesa line to nail the quarterback on the six inch line.

Later a 'Omer to Ryniak' pass-run play gave the Sents their last score and the game.

Estancia

Magnolia continued it's winning spree against the Estancia Eagles, as they blanded the birds 20-0.

Ken Panique opened the scoring with four minutes gone on a six-yard sprint around the right end, to finish a 10 play, 68-yard drive. Lee Longenecker added the PAT.

The Sentinels scored again with 10:22 remaining in the first half as fullback Greg Iverson dove over from the four to cap a 60 yard drive in 16 plays.

John Diehl recovered an Estancia fumble on the Eagles' 25 to start the drive for the final touchdown for Magnolia. Doug Omer blasted over from the one and Gerry Gomez booted the conversion.

Corona Del Mar suffered an acute case of Omer-running and Magnolia defense as the Sentinels prospered 13-0.

The defense nailed the Sea Kings to the reef when they prevented them from penetrating the Sentinel field any deeper than the 38-yard line.

Doug Omer's 31-yard open field sprint highlighted a 57-yard drive in nine plays to paydirt. Bob Walters' conversion boot made it 7-0 with 11:14 left in the half.

Midway through the third, Magnolia was rolling for its second round of six points, moving 80 yards in 16 plays. Omer played a significant role in containing four important first downs. The final score was 13-0.

Fighting rain and mud the Magnolia offense failed to move the ball to score.

Magnolia resorted to a shotgun offense in the final quarter and Omer almost put the Sentinels on the scoreboard. A 14-yard pass to Ken Panique gave Magnolia the ball on Loara's two with only seven seconds left. But the Loara defense batted down an Omer pass as the gun sounded.

Magnolia's defense was also hampered by the mud.

Bees and Cees

Every person needs something to dedicate himself to. And those who wish to dedicate themselves to football, but cannot compete with the larger seniors, get their chance by playing on the "B" and "C" squads. This chance to participate in football is not extended to all high schools.

Stan Hayden, coach of the "B" squads, works the 27 members of the Bees through an extensive training course as does Tom Buck with the 22 members of Cees, through an equally hard course.

The Bee squad ended it's season with a record of two wins and seven losses. The Cees ended this season with a record of two wins, one tie and six losses. The Bee and Cee squads each play the same schools as the varsity.

Cross Country is a true test of endurance. Schools compete with each other on a field over two miles long. Extensive training and dedication is necessary to perfect the ability to run over two miles straight. Muscle tone and breathing coordination must be developed for a person to be able to run these distances.

In Cross Country the scoring starts on a low point and works up rapidly, or slowly, depending upon the places achieved by the runners.

The 1968 season has seen the greatest turnout for Cross Country in the history of Magnolia. There are five people on the varsity squad: Gary Eagle, captain of the team; Gary Kramer; Bob McGinnis; Bob Miske; and Ted VanArsdale. The total number of members on the team is 22. Also there are six participating members: Barry Christenson; Don Kelechenyi; Jerry Matheny; Jim Prestwood; Gerry Puhan; and Mike Toczek.

Irvine League CHAMPS!

The Magnolia varsity basketball squad had an outstanding year. The Sent roundballers carved out a 21-9 season record, and an 8-2 league mark in positioning themselves as Irvine League Champions! They proved to all that they were the best, and they represented Magnolia well in the CIF play-offs.

After the first round the Sents were 3-2 and in third place. They then came back in the second round to post a 5-0 record in gaining the championship and a CIF play-off berth.

With clutch wins over Corona del Mar and Loara, the Sents proved themselves worthy of the trust of the student body and of Coach Wheeler. It was many a time when the "Big 5" had to come from behind, and they did it, time and time again. They set numerous school records; most points scored in a game–96 against Fountain Valley, and lowest opponents total–36, holding down the Barons of Fountain Valley in the first league game of the season. It was a nip-n-tuck battle all the way, and most of it was an uphill fight.

Dave Murray gained Player of the Year honors and first team All-Orange County with help from his partner, Jan Adamson. A successful year for the Sentinels? Yes!! Very!!!

Costa Mesa-Estancia

After setting a school record by holding the Fountain Valley Barons to 37 points, the Mustangs of Costa Mesa stampeded into the Sentinel gym. The Sents throttled the upset bid by the Mustangs, by posting a 67-47 victory. Guards, Lee Longenecker and Gary Flood, continued to harass the Mustangs, causing them numerous turnovers. They both contributed sterling performances which overshadowed even the sharp Sentinel offense. Longenecker led the Sents with 19 points, followed by Doug Omer with 17, and Dave Murray's 15.

After the fall of Costa Mesa, the high flying Estancia Eagles entered into the Sentinel's gym. For the first three quarters, it looked as if they might pull off an upset as they moved out to a 33-31 lead. But the greedy Sents came back to post a 45-41 crucial win.

Because of the great teamwork demonstrated by the Sent roundballers, the Eagles were held to a mere 41 points.

Dave Murray led Magnolia with 18 points, while Jan Adamson hit for 14, and Doug Omer 13. But the best was yet to come!

Fountain Valley

After suffering two "surprise" losses to Corona del Mar and Loara, the Sents, looking awesome and overpowering, dumped the Barons 96-49. This was the start of a 5 game win streak which led the Sents on to CIF.

Dave Murray, with 22 points, led the Sentinel scorers, closely followed by Doug Omer and Jan Adamson with 18 points each.

Russ Henry, who played fine all-around ball, scored 16 big points.

Magnolia

Coupled with Loara's loss to Costa Mesa, the Sents needed a win against the top-seated Corona Del Mar Sea Kings to throw the league championship into a three way tie. For Magnolia, Doug Omer came off the bench to spur the Sents on by his clutch shooting and tough defense. Jan Adamson led the Sents with 18 points and 6 clutch free throws. He was followed by Dave Murray with 15 and Doug Omer with 11. The only thing standing in the way of the Irvine League Championship was the next game with our rivals, the Loara Saxons, who also were contenders for the title.

Loara

The time had come for Magnolia's last chance at the Irvine League title and a CIF berth. The Sents rose to the occasion as they handed the Loara Saxons a 59-54 defeat.

In the first half, the Sents posted a 30-21 lead. But later in the game, Loara came back, and to the fans' amazement, they took the lead. But Dave Murray and Co. went to work and managed to outscore the Saxons 11-5 in the last 4 minutes. Murray led the Sents with 27 points, while Doug Omer and Jan Adamson hit 15 and 12, respectively. It was on to CIF for the Magnolia Sentinels, Irvine League Champs!

JV Squad

The Magnolia Junior Varsity basketball team was young and inexperienced. They managed to post a 2-8 league record, mainly by the scoring of Dave Bohanan and Greg Rachunok. Dave Bohanan was the leading scorer with an 11 point average closely followed by Rachunok with a 9 point average. Coach See had a tough job maintaining key players as they were often discovered by the Varsity team.

The starting five consisted of Bohanan, Rachunok, Steve Rafferty, Bob Miske, and Charles Richie. The first game of the season proved a heartbreak for the Sents as they dropped a 41-43 decision to the Barons of Fountain Valley. With one second left in the game the Barons scored to win it. But the fine spirit of the team continued as they represented Magnolia well, even in defeat.

Bees & Cees

The Magnolia Bee and Cee basketball teams proved promising in posting 1-9, and 3-7 records. The Bees, led by the scoring of Carmen Conte and Marvin Owens, continued to show Varsity Coach Wheeler that there is talent even on the small teams. Conte had a 9 point league average while Owens obtained 8.

The Cees, led by the scoring of Sam Phelps and Tracy Gaddis, started the season with two quick wins, only to lose several close games that could have gone either way. Phelps obtained an 8 point average, while Gaddis tallied 6.

The teams were mostly composed of underclassmen who gained valuable experience that will help them in furthering their basketball aims.

Varsity Wrestling Squad

Although the 1968-1969 Varsity Wrestling Squad didn't do too well this year statistically, juniors and sophomores on the team gained valuable knowledge and experience that will prove helpful to them next year.

Two bright spots in the season were Gary Williams, a heavyweight, and senior Al McCasland; they placed third and fourth in the league finals.

One of the best all-around wrestlers was junior, Brian Cairney. Next year he will lead the Sentinel grapplers in what Coach Stout hopes will be a victorious season.

Led by the pitching of Doug Omer, Richard Hall, and Jim Smith, the Sentinel horsehiders proved too much for their diamond foes. The pitching was great, but the hitting was tremendous. Led by catchers Russ Henry, Gary Flood and Lee Longenecker, the Sentinel offense came up with the high scoring games, while the pitching staff held the opponents intact. This year proved to be one of Mr. Crook's finest all-around teams. The team was experienced and well-trained, as they paved the way for a very successful season.

The Varsity Track team proved to be one of Magnolia's finest ever. The mighty Sents took a second in the team division of the Shorty Smith Relays, a gravelling test of speed and stamina. The tracksters, led by sprinters Rick Williams, Steve Wolfe, and Rich Garrett, raced to high places all year, while Dave Sebley was unsurpassed in the pole vault, A highlight of the year was Craig Jones' new high jump record of 6'2". In long distance runs Ted VanArsdale and Gary Eagle always seemed to lead the pace. Our Sentinel track team proved mighty strong in posting an outstanding season.

Varsity Gymnastics

The varsity gymnastics squad, instructed by Mr. Abella, had one of the finest teams in Sentinel history. Led by all-around stars Larry Correa and John Shipman, the experienced Sentinels had a fine year. Returning lettermen, Theo DeHoog and Dave Brown added the depth Mr. Abella needed. Also, newcomer Joe Tusant was a pleasant surprise this year and a hopeful star for next year. An early injury to Jody Spicer, a fine potential gymnast, hurt; but the performances of the other gymnasts made his absence less painful. Our varsity gymnastic squad was experienced and next year should be just as successful as this year's squad.

GAA 68-69

GAA is the organization for those girls wishing to compete in extra-curricular sports activities.

Volleyball, field hockey, basketball, and baseball, are the major sports that occur each quarter, in that order. The girls meet on Mondays and Wednesdays for inter and intra school sports.

For those girls wishing to obtain extra credit, Tuesdays and Thursdays are set aside for tennis the first semester, and badminton the second semester.

GAA is divided into three classes with individual advisors. The sophomore advisor is Miss Gibbs, the junior advisor—Mrs. Fuller, and the senior advisor—Mrs. Eggertz.

The GAA initiates were a common sight around campus during the first weeks of school.

Credit Where Credit Is Due

In GAA all girls receive points which are tallied every quarter, for each thing they do. Awards are presented at banquets given for the girls at the end of both semesters. Points are awarded on this basis:

ACHIEVEMENT LEVELS

lst level	80 points
2nd level	150 points
3rd level	225 points
4th level	350 points
5th level	400 points
6th level	600 points
7th level	900 points

GAA's Largest Group -Sophomores

Perhaps the most singularly outstanding part of being a sophomore in GAA is the initiation suffered as the consequence of being a newcomer. But as initiation is all done in fun and lasts only three days, GAA members are able to look back on it with a smile.

This year's sophomores had three days in which to perform for the school, as well as for GAA upperclassmen. The first day will be remembered as UGLY DAY, the second as OLD LADY DAY, and the third as FANTASY LAND DAY. At the conclusion of these three hectic days a banquet was held as the finale. Initiates were thoroughly made up with lipstick, powdered unmercifully, and made to eat with chopsticks.

Loray Verdon, (junior), and Jane Wilson, (sophomore), were named the best initiates.

Familiar Quotes

Call me, I'll be home all weekend . . . sure. Why, I can't ask Doug to write some copy for me, I don't even know him . . . KEYMATES HOLDS CO–REC ON GEORGE'S BIRTHDAY . . . Sorry I wasn't there to help, but you see, I had to go build this clubhouse . . . But you told Mrs. Trueman you had to go to the dentist . . . What's the real story? . . . My —, what did you do to my layout; I thought I was supposed to do this one! . . . Can I go to the library? . . . I didn't get this jacket for picking up papers . . . So what if I cropped off Robby's ears, he didn't need them anyway . . . Why should he be an exception? All the other seniors had to have their proper names under their pictures . . . Oh, is this the list of seniors that got their pictures taken that you've been looking for, for the past three months? I've had it in my box the whole time. I heard you ask for it, but I didn't think anybody was talking to me . . . All I have to do is crop the pictures, I'll bring it right over . . . but we need it now, . . um . . um . . well, first I have to draw up the layout . . . WOULD YOU PLEASE KEEP OUT OF THOSE PICTURES, we just got finished cleaning out the cupboard . . . About that big picture of the brain, we really don't think you should put it on the top 10 seniors' page . . . These pictures! "I'm not listening to you" . . but it's all the backs of their heads . . . Boy, were we lucky, we drove all the way home with the open box of senior pictures on top of the car . . If it hadn't been for Chris's slow car, there would have been a lot of disappointed seniors . . . Larry, quit looking at our pictures . . . Mrs. Trueman, would you PLEASE tell the newspaper staff to stay out of OUR pictures? . . . You didn't tell anyone, did you? No, well, just Donna, she's my best friend . . . ONLY NEWSPAPER OR YEARBOOK STAFF MEMBERS PERMITTED . . . that means you too!

Really, we had a pretty remarkable staff . . . and you're right Louis, you didn't get that jacket for picking up papers!
